

Thousands Of Admirers Pay Last Tribute To Babe Ruth

By CHARLES MERCER
New York, Aug. 19 (AP)—Funeral services for Babe Ruth in towering St. Patrick's cathedral today climaxed the nation's mourning for the king of baseball.

Silent thousands of persons—the famous who knew him in person and the obscure who admired him in spirit—thronged the Roman Catholic cathedral and overflowed into Fifth avenue.

Francis Cardinal Spellman presided at the requiem high mass for the "big guy" with the happy grin who rose from a Baltimore orphanage to undisputed monarch of the national sport.

The great doors of the cathedral were open to the public—symbolic, said friends, of the Babe's open heart to the people in the bleachers and the kids in distant places to whom his name meant great sportsmanship.

About 75,000 persons crowded the cathedral to the doors. A police-estimated 75,000 others stood gravely outside under grey skies on hushed Fifth avenue and surrounding area.

A 250-man police detail was on duty for the largest funeral in New York for years.

Gov. Thomas E. Dewey headed the list of honorary pallbearers who included prominent sportsmen and sports writers.

Among those present were Mayor William O'Dwyer of New York; Mayor James M. Curley, of Boston, where the Babe began his big league career with the Red Sox; and Mayor Thomas D'Alesandro of Baltimore, where Ruth got his first feel of a baseball mitt.

Msgr. Joseph P. Flannelly was celebrant of the high mass for the great Yankees' batter who died of cancer Monday night in Memorial hospital at the age of 53.

Many Notables Present
The Babe's widow, Mrs. Claire Ruth; his two adopted daughters, Mrs. Dorothy Sullivan and Mrs. Richard Flinders; and the Babe's sister, Mrs. Wilbur Moberly, arrived early at the cathedral.

The list of those who filed up the wide grey steps of the cathedral read like the headlines of the sports pages—today's as well as yesterday's: Jack Dempsey and Connie Mack; Leo Durocher and Moe Berg.

As great as the tribute of the famous was the grave silence of a police-estimated 50,000 persons who waited dutifully outside the cathedral and on the route taken by the hearse from the funeral chapel to the cathedral.

The usually noisy canyons of midtown Manhattan were hushed as the Babe's body was borne behind mounted police from the Lexington avenue funeral home.

Traffic Stands Still
The tangle of traffic grew still, thousands looked silently down from skyscraper windows and rooftops as the measured clapping of the policemen's horses echoed in the streets.

Msgr. Flannelly and his assistants went to the main entrance of the cathedral to meet the casket as it was borne from the hearse.

The crowd was still. A few wept. Those who could not press into the cathedral waited outside to see the Babe's funeral cortege move to Gate of Heaven cemetery in suburban Westchester county where his body will be placed in a receiving vault.

The thousands who jammed the streets marked the climax of three days of mourning and tributes to the Babe.

More than 100,000 persons filed past his body as it lay in state in (Please turn to Page 2)

PLAN PARADE, COSTUME FETE
Youngsters and oldsters were invited today by the Gettysburg Recreation association to take part in a costume parade and contest Friday evening at 7:30 o'clock at the high school playground.

Prizes donated by Britcher and Bender, Peoples Drug store, Sweetland, Faber's, Majestic, Shuman's, Rea and Derick and the Delecto are to be given to the winners of the various contests.

For the event, the judges, Mrs. Clarence Bartholomew, Mrs. James Creighton and Mrs. Raymond Wiedner will be in costume, the association announced.

Two special prizes are to be given for the best costumes made of paper and pins. The boy with the best paper costume will be given a soft-ball. The other special prize was not announced.

Prizes will be given in the following additional classifications, most original, funniest, most colorful, most unusual, smallest child, most ancient costume, oldest appearing costume and the best costume representative of the native dress of another nation.

FIREMEN NAME TEN DELEGATES AND ALTERNATES

Ten delegates and ten alternates to represent the Gettysburg fire department at the annual convention of the Adams County Firemen's association, were elected at the August meeting held Wednesday night at the Firemen's Retreat in the mountains.

Delegates named are Mervin E. Crouse, C. Lester Oyler, James Shenk, Clarence Shindecker, George Bushman, John Fox, Raymond Blasing, Raymond Menges, Cyril Staub and Charles Mayhall.

Alternates are Howard Small, Richard Cole, Russell Staley, Bertus Hummer, Emory Strausbaugh, John Storm, Lloyd Palmer, Steve Smith, Joseph McKendrick and Donald Stallsmith.

Two Parade Marshals
The convention will be held in Gettysburg on Labor Day, with morning and afternoon sessions in the Hotel Gettysburg annex. A parade will be held in the afternoon.

The meeting voted to ask the Blue and Gray band to lead the Gettysburg department in the parade. A block party will be held at the engine house four nights, September 2, 3, 4 and 6. Reports on plans for this event were given by James Shenk.

Fire Chief James A. Aumen and Assistant Chiefs Donald Jacobs and Donald McSherry were named parade marshals. Five Gettysburg men will act as parade judges. The four who have accepted are George M. Zerling, Jacob Britcher, B. Murray Frazee and John H. Bream.

Secretary Menges reported that the Gettysburg department won a \$100 prize at McSherrytown and a \$30 prize at Taneytown. It was voted to pay the Blue and Gray band \$50 for leading the Gettysburg turnout at McSherrytown. The local firemen will parade August 28 at Hanover.

Can't Present Display
George D. March, James A. Aumen and John Fox were appointed a committee to handle funds for the Reading state convention.

The secretary was instructed to write a letter to Paul Whitmoyer, director of the Gettysburg Recreation association, expressing regret that the firemen cannot accept an invitation to take part in a recreation program at the high school August 26. A letter from Whitmoyer (Please turn to Page Two)

104TH ROOKIES INITIATED INTO ARMY ROUTINE

(By Mail To The Times)
Indianapolis Gap, Aug. 15—“Rise and Shine,” the sergeant yells to men of the 104th Cavalry from Gettysburg as they swing into their second day of National Guard training. Green recruits who compose about half the outfit, got an inkling of what reveille means in physical discomfort when they were awakened this morning at 6:30, an hour late because it was Sunday.

“Oh, my aching back!” exclaimed a sleepy-eyed youth to a sergeant who told him to tell it to the chaplain.

It was the first full day's program of the guardsmen's fifteen-day session and from now until August 28 the daily routine will get tougher as men undertake more difficult phases of soldiering.

The 104th Cavalry's chaplain, Col. Swope, gave a brief lecture after morning chow, an account of the historical background of the Gap.

Like Camp Cooking
Credit was being given to the cooks of the squadron, and the men seem well pleased with the food. An occasional and traditional army gripe is uttered concerning the food, but the veterans call it tops.

At 4 p. m. the men assembled and paraded to the parade grounds for a general inspection. Brig. General William S. Bailey, the commanding officer, greeted the men with a welcoming address. He outlined what was expected during the next two weeks.

Late in the afternoon, the men were again given rifle instruction to assure the greatest possible safety on the range. Troop A assembled to play a softball game against headquarters and service troop. After a see-saw game the Gettysburg boys came out victorious, 7-4. This strengthens the troop's chances of taking the baseball trophy which is being awarded the winning troop.

After the ball game Lt. Weaver, the company commander, assembled the men and issued orders to “make things shine.” After three hours of work the barracks were in top shape for inspection.

Set Deadline For Assistance Post

A deadline of August 25 has been set for applications for tests for the position of executive director, Adams County Board of Assistance, according to an Associated Press dispatch received today from Harrisburg.

There are also openings in Franklin, Fulton, Cumberland and 11 other counties. The places are now being filled on a temporary basis due to the fact that all civil service appointments made after 1943 were for the period of the war plus six months by act of legislature. The present director of the county board of assistance, Mrs. Verna Myers, was appointed under that law and as a result must take the examination for permanent appointment.

Littlestown PICNIC HELD BY MASONS AT MARSH CREEK

Thirty-four Masons attended a picnic held by the York Capital Masonic School of Instruction of the fourth district of the Grand Holy Royal Arch Chapter of Pennsylvania, held Wednesday afternoon and evening at the cottage of Mr. and Mrs. Samuel H. Higinbotham, Marsh Creek Heights. The afternoon and early evening were spent pitching horseshoes and in archery on the lawn, after which the heavy shower made it necessary for the group to seek the shelter of the cottage where “500” was enjoyed until the supper was served which consisted of roast corn and wieners as the main items.

Following the supper a short business meeting was held in charge of John S. Royer, a member of Yorktown Chapter No. 304, York. Richard S. Cole, York, who is district deputy grand high priest and principal of the school, discussed plans for the coming year.

District 4 comprises Howell Chapter No. 199 and Yorktown No. 304, both of York; Corinthian No. 224, Columbia; Good Samaritan No. 266, Gettysburg and Hanover Chapter No. 310. This picnic was for the members of the school and all officers of each of the chapters of the district were invited guests.

The Rev. John C. Brumbaugh, Littlestown, a member of Bloomsburg Chapter No. 218 was also an invited guest. William Swisher, Gettysburg, No. 266 and Stanley M. Staub, Littlestown No. 310, are officers of the school. The committee on arrangements included Samuel H. Higinbotham, Littlestown, and Wilbur Plank, Gettysburg.

Those attending the picnic from the Gettysburg chapter were: H. Merel Stultz, W. Preston Hull, Charles Myers, Paul A. LeGore, George N. Coshun, Chester Mehring, Jr., George Miller, Wilbur L. Plank and Richard Higinbotham.

Return From Trip
Mr. and Mrs. Walter F. Crouse, who reside along the Littlestown-Taneytown highway and Mr. Crouse's brother and sister-in-law, Mr. and Mrs. Woodrow Crouse, Gettysburg, returned home Tuesday from a two week's automobile trip. Three days were spent at North Bay, Canada, fishing. From there they went to St. Paul, Minnesota, where they spent some time with Mr. Crouse's cousin, the Rev. and Mrs. Alton Motter, formerly of Littlestown. Two days were then spent at Milwaukee, Wis., attending the centennial of the Statehood of Wisconsin and from there they went to (Please turn to Page 4)

Services Held For Snyder Baby

Graveside services were held in Mountain View cemetery, Emmitsburg, this morning for Donald Ray, infant son of Mr. and Mrs. Jerry Snyder, Emmitsburg, stillborn Wednesday night at the Warner hospital. The Rev. Philip Bower, pastor of Elias Lutheran church, officiated.

The parents, five brothers and sisters, Carrie, Robert, Clarence, Thomas and Rolan Snyder, and the maternal grandmother, Mrs. Lily Angel, Hanover, survive.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. James Toner, Gardners R. 2, announce the birth of a son at the Warner hospital this morning.

A daughter was born this morning at the hospital to Mr. and Mrs. Cecil Green, Taneytown R. 2.

Weather Forecast

Partly cloudy with a few scattered showers or thunderstorms this afternoon and evening followed by fair weather tonight and Friday. Little change in temperature.

Tito Accused Of Murder In Shooting Of Gen. Jovanovic

London, Aug. 19 (AP)—Rador, the official Romanian news agency, accused Premier Marshal Tito and other members of the Yugoslav government today of treason and “horrible murder” in the death of Gen. Arso Jovanovic, former chief of staff of the Yugoslav army.

The Yugoslav government announced yesterday that Jovanovic was killed by a border guard Aug. 12, while attempting to flee across the border into Romania.

Repeating charges first voiced against Tito by the Russian-dominated Communist International Information bureau (Cominform) Rador declared:

“The clique of traitors of Tito and (interior minister Alexander) Rankovic, which has let loose a wave of terror against Yugoslav Communists who are loyal to the interests of the working class, has thus committed another crime. This time the victim was one of the most popular heroes of the Yugoslav liberation struggle.”

Jovanovic was war-time chief of staff and intimately associated with Tito in the days of partisan warfare against the Nazis.

The Rador dispatch, broadcast by the Bucharest radio, said Jovanovic's slaying was “murder carried out by Tito and his accomplices who sink deeper into the mire of treason.”

An editorial in the Times of London said the “attempted escape” of Jovanovic and two other senior Yugoslav officers was “dramatic news.”

“That they chose to escape into Romania, not into Greece, Austria or Italy is enough to show where their sympathies lay,” the Times said. “It is not Communism they regretted, but Tito's rule.”

Fined \$10 For Code Violation

Calvin E. Krug, Littlestown R. 2, paid a fine of \$10 and costs to Justice of the Peace Howard G. Blocher, Littlestown, on a charge of driving too fast for road conditions, state police of the Gettysburg substation, who filed the charge, reported today. Krug was involved in an accident near Littlestown July 16, police said.

Philip D. Pfaffenbach, Binghamton, N. Y., was fined \$10 and costs by Justice of the Peace Walter Wolf, York Springs, on a charge of driving to the left side of the highway.

SGT. HARBAUGH WRITES STORY OF B-29 FLIGHT

A description of his trip around the world in a B29 last month is contained in a letter received by Mr. and Mrs. Joseph Harbaugh, of Fairfield, from their son, Sgt. George Rodney Harbaugh, radar mechanic on the flight.

In the letter Sgt. Harbaugh describes, among other things, the loss of a companion B29 which fell into the sea off Aden.

The former Fairfield man is a member of the 64th Bombardment Squadron, 43rd Bombardment Group, 43rd Bombardment Wing (VH), stationed at Davis-Monthan Air Force base, Tucson. In his letter he wrote:

Left Tucson July 22
“Well, I have finally got most of my back work done and I have a little time off so I will try to tell you about the events from July 22 up to now. We took off here around two in the morning and flew to Tampa, Fla., arriving there later the same morning. We refueled, ate breakfast, and fooled around for a few hours, and took off again about 3 o'clock in the afternoon for the Azores, arriving there early in the morning of the next day. We all went to bed and slept for a couple hours. That evening we took off for Tripoli. When we were about a half hour out we got a call to return to the field because one of the planes was having engine trouble. We went back and stayed in the Azores that night while the plane's engine was changed.”

“That afternoon while we waited for our second takeoff for Tripoli we toured the island in a truck. It was very educational. The people are very primitive, using only oxen for plowing and all wooden tools. They have no cars, their only transportation being two-wheeled carts pulled by oxen. Their houses are stone covered with plaster painted white. The roofs are brown tile. The people are light skinned with black hair (Please turn to Page 7)

Red Press Charges Allies Bogged Moscow Conference

Berlin, Aug. 19 (AP)—Sections of the Russian-controlled German press charged today that contradictory attitudes of the Western powers bogged down Moscow talks on the Berlin crisis and the German problem.

These newspapers made the charges of obstructionism along with a renewed propaganda broadside against Western occupation policies and Berlin's anti-Communist city government. The city government has just made known it may issue its own currency in an attempt to unravel the divided city's east-west monetary snarl.

The Moscow talks among representatives of the four big powers are reported nearing an end. The Western diplomats there were conferring again today on the status of their negotiations with Prime Minister Stalin and Foreign Minister Molotov.

The intensity of the attacks by the Communist press here on the city government and the Western powers seemed to indicate that the deadlock is continuing on major issues in Moscow. At the start of the Moscow talks, the Communist press of Germany had soft-pedaled such attacks.

One Communist newspaper charged the Western diplomats had expressed agreement with proposals of Stalin at the start of the Moscow talks, then suddenly reversed themselves when they took the matters up with Molotov. The Berliner Zeitung and the National Zeitung gave this version a big display, attributing it to “trustworthy Paris sources.”

Their account said: The West agreed with Stalin that only Soviet-sponsored currency should circulate in Berlin; that East and West both should lift restrictions on traffic between Berlin and Western Germany; that representatives of the West agreed to a conference to consider the problem of all Germany after Stalin demanded that the establishment of a separate Western government be put off.

SCHEDULE OF CLUB MEETINGS IS ANNOUNCED

CAP EXPLOSION CASE SETTLED

In a compromise approved by the Adams county court this morning, the action brought by Robert L. Trish, Oxford township, against the Alwine Brick company, also of Oxford township, was settled for \$6,566.38.

Approval was given after a hearing before the court with the division of damages set as \$5,500 for Robert L. Trish, Jr., who lost his right eye in a dynamite cap explosion, \$650 for his parents, and \$416.38 for medical services. The First National Bank of Gettysburg was chosen as guardian for the 11-year-old Trish youngster and posted \$11,000 bond to carry out its work as guardian.

Dr. James Gordon, Hanover, said the child's eye is without sight, but can distinguish between red and white light. Robert L. Trish said his son, another son and Robert Stambaugh, 15, found the dynamite caps used by the Alwine brick company, and that while they were playing with them one exploded and destroyed eye of Robert Junior's eye and also badly damaged his left hand. The accident occurred February 4 in Oxford township.

Campaign Of YWCA Reaches \$3,000 Goal

Several recent contributions to the Y.W.C.A. financial campaign have brought it to the goal of \$3,000 set for this year. The books of Mrs. Guyon E. Buehler, campaign chairman, will be audited by Miss Mildred Moser, Mrs. Jessie Easterday and Mrs. Helen Corbett.

Recent additions of “Y” committees include Miss Mary Duttera, House committee, and Mrs. Corbett, Finance committee.

During the month of September all committees will meet to complete the plans which have been made for the coming season's work with the women and girls of the community. The first fall meeting of the board of directors will be held on September 13.

South Mt. Fair Premium List Published Today

The complete premium list for the South Mountain fair, to be held September 8 through 11, will be found in The Gettysburg Times today, on pages 2 and 3 of the second section.

The premiums to be paid in the many departments of the fair, including dairy and beef cattle, horses, rabbits and caviar, swine and sheep, horticulture, apiary products, culinary, farm crops, flowers, 4-H club and home economics exhibits and schools, are listed in detail.

The program for the horse show, to be held September 11 at 2 p. m., is also shown.

INVITE PUBLIC TO OPENING OF CRAFT MEETING

Between 40 and 50 persons are expected in Gettysburg for the 11th session of the National Conference of American Handweavers to be held from August 23 to September 3. Headquarters will be at the Hotel Gettysburg and class sessions will be held in the Glatfelter hall annex at Gettysburg college.

The first session will be held Monday night, August 23, in Brua chapel at 8 o'clock, and will be open to the public.

Demonstrations will be given on how hand weaving is done; spinning on an old Pennsylvania wheel formerly owned by Mrs. John Jacobs, of Arendtsville, now living at Johnstown, Pa., using flax grown in Adams county; the making of Belgian bobbin lace; belt making, as done in several countries, including Canada, Guatemala, Mexico, Lapland and others. A number of old Colonial coverlets will be shown.

See Students At Work
After these demonstrations, persons interested will be invited to inspect the workrooms in the Glatfelter annex, where they will see students from this and other countries at work on hand looms.

The public will also be invited to bring old coverlets or linen to be analyzed for its type, period and materials, and those who leave such articles for analysis will also be invited to attend the final session on August 28 at 9:30 a.m. in Brua chapel, when reports will be made on the findings of the experts.

Mrs. Helen D. Young, Washington, D. C., an expert on old coverlets, will bring with her to the conference 20 samples to be shown. Other exhibits will include samples of hand-woven men's ties, women's belts, rugs, pillow tops, dress materials, aprons, samplers and towels.

Mrs. Osma Gallinger, author of “The Joy of Hand Weaving,” editor of the “Shuttle Service,” and director of the Creative Crafts school at Guernsey, will be in charge of the conference. Members of the conference staff will include the following:

Miss Florence E. House, author of “Handweaving Techniques,” director of weaving in the occupational therapy school of Teachers college, Columbia university, will lecture on international techniques.

SIX TRUE BILLS ARE RETURNED BY GRAND JURY

Six true bills were returned by the Adams county grand jury at noon today.

Sitting for the August session, the grand jury indicted John W. Rock, Richard E. Rock and George Harold Rock, all of Chambersburg, on charges of aggravated assault and battery; John J. Dalton, Philadelphia, also charged with aggravated assault and battery; James F. Pennington, Keyser, W. Va., charged with drunken driving, and Stanley Bolts, Gardners R. 2, charged with operating a motor vehicle after suspension of license.

Hear 25 Cases
Twenty-five cases, one of the largest dockets in years, were being heard by the grand jury today.

There had been 28 cases listed for the jury, but two pleas of nolle prosequere were announced by District Attorney Daniel E. Teeter today. J. M. Kline, Gettysburg, who was to have appeared on a charge of passing a bad check, and S. A. Simmons, Gettysburg R. 1, who was to have appeared on an aggravated assault and battery charge have both entered the “I do not contend” pleas, the district attorney said. Another case, that against Edward F. Meinhardt, Baltimore, was closed when Meinhardt was killed this week in an accident in Maryland.

Members of the grand jury include: Wilbur L. Plank, Springs avenue, who was selected as foreman; Ruth Barbour, Aspers R. D.; Irvin B. Black, Littlestown R. D.; C. C. Bream, East Middle street; Donald M. Brown, Gettysburg R. D.; Miss Harriet Cook, New Oxford; Gilbert C. Crabill, Gettysburg R. D.; Grace L. Dayhoff, Gettysburg R. D.; Herbert Ebersole, East Berlin; Roy Frey, Fairfield R. D.; Ralph E. Funt, Table Rock; Mrs. Mabel Gettler, Littlestown; Nevin Harner, Fairfield R. D.; Arthur Knouse, Gettysburg R. D.; Margaret J. Knox, Gettysburg R. D.; James Landis, Fairfield; George Myers, Biglerville; Mrs. Harriet Redding, Gettysburg; Wilson Rohrbaugh, Gettysburg R. D.; David Sanders, Fairfield R. D., and Donald Smith, Fairfield.

Frank Borris, New Oxford R. D., was excused by the court from serving as a grand juror; Wandell Brough, Aspers, failed to arrive before the jury was charged, and was dismissed and Wilmer Bream, Biglerville, also scheduled to serve on the jury, did not appear.

Contract For Wall At Jail Is Approved

The Adams county court this afternoon approved a contract between the county commissioners and Earl Cump, Chambersburg contractor, for the erection of a wall and fence at the new jail on the Biglerville road.

A provision of the contract requires that the work be completed in 60 days. The court also approved the contracting firm's bond of \$7,796.

Conrad Merkel, 70, Succumbs Today

Conrad Merkel, 70, Gettysburg R. 3, died at 10:15 o'clock this morning at the Warner hospital.

Mr. Merkel was born in Germany on February 8, 1878, a son of Boser and Cathryn (Ost) Merkel. He came to this county a number of years ago from Hollidaysburg and was employed as a baker at Shears' bakery here. Later he was employed at the Letterkenny Depot, Chambersburg. Funeral arrangements are incomplete.

This Is Yankee Generosity Supreme

Jefferson, Md., Aug. 19 (AP)—Yesterday morning, Mrs. Nell Thrasher's 175-acre Hillside farm was worth about \$13,000.

Eight hours later, after 500 of her Frederick county neighbors used a half-million dollars worth of equipment to give it a face-lifting, it was worth a conservative \$26,000.

Instead of rain-cut gullies that carried topsoil away with every storm, diversion ditches and terraces dotted the landscape.

Her house gleamed with a new coat of paint, a new, modern barn housed her 30 cows.

The farm, when the volunteers were finished, was representative of the latest methods of soil conservation. The “contour farm” work made represented five years' work in eight hours.

The \$10,000 demonstration was witnessed by an estimated 25,000 persons, including Secretary of Agriculture Charles F. Brannan, Maryland's Governor William Preston Lane, Jr., and numerous representatives of Washington embassies and legations. It was arranged by soil conservation experts.

41 REPORT FOR MAROONS FIRST GRID PRACTICE

Forty-one Gettysburg high school football candidates reported to Coaches George Forney and Howard Shoemaker for the initial drill Wednesday evening at the high school.

After being outdoors about 10 minutes a heavy rainstorm forced the squad indoors. Plays and formations, new rules, and training rules were discussed after which the group was taken to the gymnasium for the first of the series of daily calisthenic exercises.

Drills will be held tonight and Friday evening at 6 o'clock. A drill will also probably be held Saturday and the final workout will be held Monday evening after which the squad will go to Camp Nawakwa, near Arendtsville, Tuesday morning for a two-week pre-season training camp.

Lettermen Available Eight lettermen were among those reporting Wednesday evening. They included Bruce Westerdahl and Guy Donaldson, ends; Bob Williams, tackle; Harold Dayhoff, guard; Bill Bucher, center; Doug Knox, Herb Bowling and Bob Hottle, backs.

Eight vacancies brought about by graduation remain to be filled. Lost from last season are Bob Foth, end; William Shull and Jake Yingling, tackles; Tommy Hemmings, guard; Bob Shetter, center; Jack Ridinger, Reggie Dunkinson and Dave Blocher, backs.

Much is expected of last year's junior varsity squad, several of whom broke into the varsity lineup last year and are now being counted upon to fill the gaps left by graduation.

Open September 10 Up from last season's javvies are Bill Snyder and Martin Myers, ends; Eugene Kane and Charles Kitzmiller, tackles; Tommy Hess and Dave Neibler, guards; Johnny Aughinbaugh and Johnny Shultz, centers; Kenny Bieseker, Bobby Sachs, Bill Bushman and Harold Mellas, backs. Strenuous drills are in store for the Maroon squad as the opening game is little more than three weeks away. Delone Catholic high will be met at McSherrystown in the opener on Friday evening, September 10.

INVITE PUBLIC

(Continued from Page 1) belt weaving, as well as pillow laces, will give courses in laces and belt weaves and assist with spinning.

Mrs. Donnell B. Young, graduate of Berea College weaving courses, former teacher at Penland School of Handicrafts and the National Craft Training Center and now supervisor, weaving department, Maryland university, will give a course in weaving theory for advanced students and beginners and will lecture on American coverlets and Mexican weaving.

Mrs. Loraine Kessenich, Milwaukee, Wis., known as the "spinning woman of Wisconsin," will conduct a class in basic weaving principles. Miss Josephine Couch, Guernsey, of Tyler Art school and St. Lawrence university, will act as staff assistant.

Mrs. Mary J. Wise, Baltimore, is business manager of the conference and will supervise the desk.

Gettysburg Hostesses Several Adams county weavers, among them Miss Alma Cluck, Mrs. Frances Plank, Mrs. Mae Sorrick and Miss Irene Wolfe, will act as hostesses. Miss Reba Adams will be honorary hostess. The Gettysburg hostesses will be Mrs. O. H. Benson and Mrs. R. S. Saby.

Mrs. Gallinger will give a course on the mechanics of weaving. A number of hand looms, manufactured by her husband, Milo Gallinger, will be brought to the Glatfelter annex for use during the courses.

Mrs. Gallinger, a native of Pennsylvania, started her work in hand weaving in Michigan, where she spent several years in instructing and setting up classes in this type of handicraft. She and her husband came to Adams county six years ago and at Guernsey Mrs. Gallinger has a shop where his hand looms are made and Mrs. Gallinger has her workshop and school for teaching weaving.

The large house purchased by the Gallingers has 20 rooms, where students stay while learning. Mrs. Gallinger has written another book on weaving which she expects will be received from the publishers soon. She has more than 1,000 subscribers for her monthly magazine, now in its 15th year, and conducts correspondence courses in weaving in addition to the personal instructions given at Creative Crafts.

Seek Horseshoe Pitching Champ

Who is Greater Gettysburg's premier horseshoe pitcher?

That is the question the Gettysburg Recreation Association hopes to answer in a series of contests to be held over the next several weeks. The first meeting to start the play-offs for the title will be held Tuesday evening at 7 o'clock at the high school playground, the association announced today.

Those who care to enter the contest are asked to send their name to Box 81, Gettysburg, telephone the recreation office, Gettysburg 711-W, contact one of the playleaders at the various playgrounds, or leave their name at the recreation center Saturday evening. Whatever method of notification is used, the name of the contestant must be entered before noon Tuesday.

At Tuesday evening's session arrangements will be made for the remaining play-offs to suit the convenience of the contestants.

News Collected At Random

(Continued from Page 1) lem than the politicians in power are not just stubbornly fighting any change in British health practices. They are opposing various provisions of the law which they believe are unjust, and which would lead to the deterioration of medical standards. One of these provisions would forbid the old, established right to buy and sell practices — which would mean that a doctor who wishes to retire or move could not obtain any payment for a valuable property he had built up through industry and ability.

They oppose a second provision which would establish a small, basic state-paid salary — which the doctors believe would be the entering wedge for a full-salaried state medical service. A third provision would bar a doctor from appealing to the courts from dismissal by the state service — which would certainly rob the medical profession of a fundamental right. This turmoil over state medicine in England is of importance to this country, where proposals are being made looking toward eventual socialization and political domination of the healing arts. The British doctors realize that when the state steps into anything, it eventually takes over completely. And that would happen here too.

The Detroit Medical News reports that doctors of medicine prescribe about 15 per cent of the eye-glasses that are worn; 85 per cent are prescribed by others. Doctors of medicine have been given 100 per cent of the poor publicity associated with rebates for doing 15 per cent of the business.

New York, Aug. 19 (AP) — The Russian woman school teacher who leaped from a third-floor window of the Soviet consulate was under an oxygen tent and reported sinking today.

After a week of international arguments, the Soviet consul general has been invited to send a surgeon of his own choice for consultation on the teacher, Mrs. Oksana Stepanovna Kosenkina. A bulletin issued at Roosevelt hospital at 5 a.m. (EST) reported the teacher's condition as critical and unchanged after a restless night of irregular sleep. Her temperature remained at 103. Her pulse was 100, a drop from 104 recorded at midnight, and her respiration was 32, down from 36 at midnight. The night bulletin said she had slept for long intervals in the late evening.

Mrs. Kosenkina, 52, who suffered multiple fractures and other injuries in her leap a week ago today, has been given several blood transfusions. She was placed under the oxygen tent yesterday.

Her physician, Dr. Grant Pennoyer, telephoned to Soviet Consul General Yakov M. Lomakin last night and offered to have him name a surgeon for consultation with Pennoyer and other hospital doctors.

Lomakin received the suggestion courteously, Dr. Pennoyer said, declared he was anxious to confer personally with Dr. Pennoyer and agreed to a meeting today.

the lobby of Yankee stadium for two days. Mrs. Ruth had requested it, mindful of what the Babe meant to the public who never forgot him. Young, Old, Rich, Poor

Young and old, rich and poor, they came from hundreds of miles to look on his face for the last time. Although the cathedral was the scene of the last rites for Ruth, it was in Yankee stadium—site of his greatest exploits—that the average man-in-the-bleachers paid final respects to the mighty Yankee batsman.

Many of the thousands who came from points hundreds of miles distant—fired through the rotunda of the stadium where the Babe lay in state for two days.

Many of those who came from outside the city remained here for the funeral. They included public officials, prominent sports figures and just plain fans.

Chandler Takes Son While Ruth's candle-lit casket lay at the stadium—from late Tuesday until midnight and throughout the day yesterday—a steady stream of mourners filed through the rotunda at the rate of 6,000 an hour.

Police officials said it was the greatest such demonstration in New York city for a public figure since Rudolph Valentino's funeral here in 1926.

Baseball Commissioner A. B. Chandler led a group of sports notables to visit the stadium. Weeping, Chandler stood beside Ruth's coffin with an arm about the shoulders of his 14-year-old son, Daniel.

"I wanted my son to see the Babe," Chandler said later. "He was a great inspiration to our kids."

Boys Bring Flowers Three small boys from the Bronx brought a bouquet of flowers. With it was a card reading: "With deepest sympathy, your little pals."

One teen-age youth brought his little brother, lifted him up so he could see in the casket, and whispered, "That's the great Babe Ruth." A white-haired man held his grandson so the youngster could see. "Take a good look, sonny," he said. "You'll never see another man like him."

RODGERS ONLY GAME BEHIND BOSTON TEAM

By JOE REICHLER
(AP Sports Writer)

A new found strength on the mound is making the Brooklyn Dodgers the team to beat in the National League.

Burt Shotton's Brooks shut out the Philadelphia Phillies last night, 1-0, to climb within one game of the slumping Boston Braves. The Braves were beaten by the Giants in New York 8-2.

Rex Barney for the Brooks gave the best performance of his major league career. He permitted only one hit, a fifth inning single by Third Baseman Ralph Caballero.

Rookie Robin Roberts, the Phillies' bonus right-hander, made an error and had a wild pitch to allow Brooklyn's lone run in the first.

The third place St. Louis Cardinals also took advantage of Boston's defeat, coming from behind to edge the Cincinnati Reds in St. Louis, 4-3. The Cards now are only two and a half games off the pace.

Last Inning Win
Trailing 3-2 in the last of the ninth, the Cards quickly tied the score when Nippy Jones tripled.

Ralph LaPointe ran for Jones and scored on Del Rice's single. Red Schoendienst ran for Rice and was sacrificed to second. After Ron Northey walked Marty Marion hit what appeared to be a double play ball, but Red Stallcup threw wild past first trying to get the last out, and Schoendienst scored the winning run.

Eight-hit pitching by Sheldon Jones and home runs by Johnny Mize (No. 29) and Sid Gordon (No. 24) were the highlights of the Giants' victory over the Braves. It was Jones' 12th triumph. Vern Bickford, first of four Boston pitchers, was the loser.

The Pittsburgh Pirates rallied for six runs in the top of the eighth to come from behind and defeat the Cubs in Chicago 7-4. Bob Chalmers, the winning pitcher, contributed to the victory with a pair of singles. The victory moved the fourth-place Bucs to within five games of the Braves.

The Cleveland Indians extended their first-place margin in the American League to three full games over the Boston Red Sox and Philadelphia Athletics by defeating the St. Louis Browns, 3-0. Sammy Zoladak, former Brownie, was found for nine hits by his ex-mates, but was tough in the clutch.

The Red Sox climbed over the Athletics into second place by two percentage points when they unleashed a 17-hit attack against three Philadelphia pitchers to whip the A's, 10-2. Ted Williams and Birdie Tebbetts paced the Red Sox attack with three hits apiece.

Vic Raschi earned his easiest victory of the season when the New York Yankees defeated the Washington Senators, 4-1, in a game called at the end of the fifth because of rain. It was Raschi's 16th triumph. The Chicago White Sox-Detroit Tigers game was postponed because of rain.

Brother Harmony Sets New Record

Springfield, Ill., Aug. 19 (AP) — Brother Harmony raced one-twentieth of a second off the world's four-hundred-foot record yesterday after a three horse extra mile to disclose the winner of the Ann Rutledge racing stake, headliner on the Grand Circuit card at the Illinois State Fair.

Brother Harmony, owned by Harry Eckert of Mt. Vernon, O., and driven by Foy Funderburk, took the third and fourth heats in the identical time of 2:01 to win the second division of the stake. Poplar Hill Farms Poplar Byrd had won the first mile in 2:01 2/5 and K. D. Owen's Rudagar the second, also in 2:01 2/5.

Greiner Favored In Denver Open

Denver, Aug. 19 (AP) — A blue ribbon field of 93 golfers, including most of the leading par-busters on the pro circuit, teed off today in quest of the Denver Open tournament's \$12,500 in cash prizes.

The talk of the galleries on this first day of the 72-hole grind at Wellshire Municipal course was Otto Greiner of Baltimore, Md.

He toured the 6,768-yard Wellshire layout yesterday in 66 strokes, six under par. It was the best performance of any player and the big name golfers were impressed.

Ben Hogan of Hershey, Pa., who has played Denver courses many times and was persuaded by Denver friends to give up a planned rest and enter the meet, went around in 67. This score was matched by Ed Furgol of Pontiac, Mich.

Softball Series Delayed By Rain

A rain storm Wednesday evening forced postponement of the scheduled opening game of the three-game series between the State Highway and Texas Lunch for the championship of the Community Softball League.

The opening game will be played Friday evening at 6:30 o'clock on the high school field with the second game listed for Monday evening.

The teams met twice during the regular season, playing to a scoreless tie in the first tilt while the Highway eked out a 4-3 decision in the second meeting.

Eastern League

(By The Associated Press)

The Hartford Chiefs remain in the Eastern league's last playoff spot, but the Williamsport Tigers are breathing hard down their necks.

Ernie Johnson shut out Williamsport, 1-0, in seven innings, and Joe Bauman provided the tally when he batted the ball over the rightfield wall for a home run.

Then Lou Kretlow blanked the Chiefs for a 7-0 win, his 18th triumph of the season.

At Albany, the Senators edged Elmira 3-2 for a clean sweep of a four-game series.

The Scranton Miners took the Utica Blue Sox, at Utica, 5-2. Wilkes-Barre and Binghamton were rained out.

Sports Roundup

By HERB ALTSCHULL

(For Hugh S. Fullerton, Jr.)

Philadelphia, Aug. 19 (AP)—Commissioner Bert Bell of the National Football League isn't talking about the rival All-America conference and a strongly-voiced "no comment" remains his routine reply to all queries about the AAC. But Bell feels better about the season just ahead than he has about any since All-America started operations three years ago. Presseason advance ticket sales indicate the NFL will have its greatest year in history, but the past two haven't been what you'd call bad.

Jonas Ingram, AAC commissioner, hasn't been bombarding Bell with challenges for inter-league games as he did last year and Bell figures Ingram is pretty busy keeping his league out of the red. The Green Bay Packers already have a complete sellout for season tickets. Every seat from goal line to goal line is gone. And the outlook is almost that good all around the league. Bell figures the National league will improve on last year's all-time attendance mark of 1,337,000.

Bell might well come up with this theme song:

Let Ingram heckle—
We'll take the shekile.

COAL TO COTTON
The north-south battle for high school football talent is in full swing, with Dixie apparently out in front.

Joe Dudek, a star at Hazleton, Pa., high school, passed up Penn State to enroll at North Carolina.

Johnny Krobuck, another Hazleton standout, was supposed to be all set to attend Colgate—but changed his mind at the last minute and is reported headed for William and Mary.

KEEP THOSE BOTTLES QUIET
Mrs. Neil Ashburn, mother of the Philadelphia Phillies' rookie sensation, Richie Ashburn, rates some consideration as "housewife of the year," if there is such a thing.

She and her husband moved to Philadelphia to be near their son during the season and took a house in suburban Cynwyd. Richie moved in with them and so did Curt Simmons, Robins Roberts and Charlie Bicknell, three other Phils' freshmen. The milkman delivers 10 quarts a day.

UP AND UP
The word around the ivy-draped institutions of higher learning in the east is that football fortunes are on the upgrade. Penn will field another powerhouse, Lou Little is well stocked at Columbia and Harvard and Yale are highly rated.

But the outfit to watch is Dartmouth, where Tuss McLaughrey is said to be welding one of his strongest combinations. Penn's George Munser, who starts worrying 12 months before the season opens, can't see beyond October 2 when his Quakers lay their unbeaten record on the line against McLaughrey's Indians.

Penn State is the most heavily fortified of the eastern independents, but Munger isn't even worrying about Penn State yet. Penn doesn't play State until November 6.

GAME CANCELLED
The scheduled game between the Gettysburg Aces and Oritanna on the latter's field Wednesday evening was cancelled due to rain.

The difference between lions and tigers is chiefly in the color and distribution of hair. The two can interbreed.

Amateurs Rough On Old Man Par

New York, Aug. 19 (AP) — Robert (Skee) Riegel, who opens defense of his National Amateur Golf championship at Memphis Aug. 30, now has his work cut out for him — and it looks rugged.

The 33-year-old ironmaster from Upper Darby, Pa., will face eight past U. S. and British champions and 201 survivors of the largest list ever to enter the venerable tourney.

The field was decided in sectional qualifying trials yesterday from coast-to-coast, paced by a pair of golfers hardly known outside their own sections — William Roden of Odessa, Tex., and Julius Boros of Bridgeport, Conn.

Roden, known as "Red" in the open Southwest country, ripped six holes from par as he registered 70-68-138 at San Angelo, Tex. Boros fashioned a nice 66-69-135, five under regulation, to lead the 68 who tried out in the fast metropolitan area at Great Neck, N. Y.

The York White Roses lambasted the Wilmington Blue Rocks in both ends of a twin bill last night, 13-6 and 5-1, to climb into third place in the Interstate league.

The double loss dropped Wilmington a game and a half behind the pace setting Trenton Giants who divided with the Hagerstown Owls, winning 4-0 after dropping the opener 8-2.

In other action last night, the Sunbury Reds turned back the Allentown Cardinals 8-3 in a game called because of rain in the eighth inning. The Harrisburg-Lancaster contest was halted by rain in the first inning.

York pounded two Wilmington hurlers, George and Eyrich, for 15 hits in the first game, including triples by Tom Sheehan and Bill Kovalak and a homer by Jack Merson. In the nightcap, York pushed across a brace of runs in the first

Camp Campbell, Ky., in the other. The other two games match yesterday's losers — Aberdeen, Md. Proving Grounds — Army Chemical Center, Maryland and Camp Lee, Va. and Western Pennsylvania Military District.

Yesterday's results: New Cumberland, 7; Camp Lee, 6; Fort Monroe, 3; Western Pennsylvania, 2; Ft. Knox, 2; Aberdeen, 0; Camp Campbell, 10; Army Chemical Center, 1.

An Important Decision

ALTHOUGH Babe Ruth became the greatest home run hitter of all time he hit only one homer in 1914 during his first season in organized ball. He was too busy pitching brilliant ball at the time to worry about hitting.

Dividing his rookie season between Baltimore and Providence in the International League Ruth compiled 22 victories against nine defeats for a percentage of .709, also winning two games out of three for the Red Sox.

Ruth returned to the Red Sox for five more seasons during which time he won 87 games, lost 44 and belted 49 four baggers.

In 1915 Ruth helped the Sox win the American League pennant. He pitched 18 victories and hit four home runs. Although the Sox won the World Series from the Phillies that fall, Ruth's only time at bat in the classic resulted in an unsuccessful pinch hitting effort.

During the next two campaigns Ruth won 23 games each season on the mound and played several games in right field. In 1916 the Bosox again won the American

BERLINERS MAY USE OWN MONEY IN RED MIXUP

Berlin, Aug. 19 (AP) — Berlin's city government may issue its own currency in an attempt to unravel the city's east-west monetary snarl.

The anti-Communist city administration announced last night it is debating two plans as a solution to the currency mix-up, resulting from circulation here of rival eastern and western marks.

1. To issue an emergency currency for the city.

2. To make the western mark exclusive currency in western Berlin in order to overcome the difficulties caused by the Soviet blocking of eastern mark accounts in the city's western sectors.

In western Berlin both the eastern and western German currencies now are legal. In the Soviet sector only the eastern mark is valid.

Russia's blocking of these east mark accounts has made it virtually impossible for the city government and western sector firms to pay wages, because the west had directed that three-fourths of all salaries were to be paid in eastern marks.

Last night the British military government condemned, in what an official spokesman described as "the strongest language yet used toward the Russians," a unilateral Soviet order dismissing the director of the Berlin Central Coal organization.

The Russian move appeared to parallel their action in forcing a split recently in the city's central food administration by moving their own Communist staff into the offices which are located in the Russian sector of the city.

The British said the order was "pernicious" and without legal basis and added they could not "recognize this order nor any similar order which violates the constitutional rights of the people of Berlin."

A reliable source in Moscow said last night, however, that the three western envoys are expected to meet with the Russians again on east-west differences — probably tomorrow.

The informant said the current

Myers Frightened By U.S. Attitude

Washington, Aug. 19 (AP) — Congress seems resigned to the idea that nothing can be done about lower prices until a recession or a depression brings them down, Senator Myers (D-Pa.) said last night in a state-wide broadcast to Pennsylvania.

"I'm a little frightened by the tendency in America to look with resignation on the next depression. Everyone you talk to expects it to come eventually. The only question in anyone's mind seems to be: How far away it is, or how close," he said.

He declared that just as the "Republican masters of the 80th Congress saw prosperity around the corner in 1930, so today they hope for a reduction in the cost of living — but hoping will not make it so."

"The Republican Congress, in failing to shore up the foundations of American wellbeing has invited catastrophe for the whole civilized world," he added.

talks were drawing to a close and that the conferees appeared to be nearing an agreement on the calling of a four power top-level conference on the whole problem of Germany.

MYERS WANTS NO SURRENDER STAND ON REDS

Philadelphia, Aug. 19 (AP) — Senator Francis J. Myers (D-Pa.) told Pennsylvania Legionnaires today the U. S. must stick to a "no surrender" policy in Germany backed up by a strong military machine to combat Russia's "bully" tactics.

Myers, in a speech prepared for the second day's session of the 30th annual convention of the Legion's Pennsylvania department, said the Soviet Union "deliberately and artificially" built up the Berlin crisis to hide the discontent among its own citizens.

At last night's opening meeting some 8,000 delegates heard a warning against propaganda on the "so-called achievements of Nazi, Fascist and Communist governments."

Myers declared in his blast at Russia: "Halting the westward expansion of Communism rests today in large part on the Marshall plan. But if our economy collapses as a result

of run-away inflation, the Marshall plan collapses.

"Many people, many politicians, many candidates for office are undermining the faith of our citizens in this program by falsely and deliberately attributing the high cost of living to the exports of food and other items to the nations of western Europe."

The Pennsylvania Democrat said veterans ought to be aware that "selfish interests have got the better of our economy — selfishness on a scale so vast as to constitute a national disgrace."

SWEDEN BALKS RED PLEA FOR FUGITIVE GIRL

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

Few things could so strikingly dramatize Communism's threat to security of state and freedom of the individual as the amazing case of Mrs. Oksana Stepanovna Kosenkina, the Russian school teacher who escaped from the Soviet consulate in New York by leaping from a third-story window.

And now Sweden, of all countries, has a "Kosenkina" case!

The parent country of Bolshevism has had the effrontery to accuse our government of having a hand in "kidnaping" Mrs. Kosenkina, and two other Soviet school teachers in New York. Mr. and Mrs. Michael Samarin who also have refused to return to Russia, Moscow "demands" that these unfortunates be turned over to the Soviet.

Girl Flees Russia

Meantime the "Swedish Kosenkina" case has broken, and is causing a sensation throughout that country. Lydia Makarova, a 19-year-old Russian girl who has been living in Sweden four years, refuses to return to her native country despite repeated demands of the Russian embassy that she do so.

Just why Moscow wants to get hold of the girl is a mystery. She says she fled to Sweden in 1944 after her mother died in Leningrad. She adds that she was considered a musical prodigy and has been con-

NEW WITNESSES ARE LINED UP IN SPY PROBE

Washington, Aug. 19 (AP)—Congressional spy investigators today lined up three new witnesses for secret testimony as they beat their way along side roads in search of more evidence.

What they are after primarily at this point is not direct testimony about the operations of a Communist underground in Washington before and during the war.

They are concentrating instead on what Rep. Nixon (R-Calif.) calls "spadework" designed to help dig up "the truth or the falsity" of the controversy involving Alger Hiss and Whittaker Chambers.

This is a prelude to public hearings, set for next Wednesday, at which Hiss and Chambers will be heard.

Chambers now is an editor of Time magazine. He has testified that he was a Communist from 1924 to 1937 and during part of that period knew Hiss as a member of an "elite" Communist underground organized among government officials.

Denies Charges

Hiss has denied over and over that he ever was a Communist. He is a former state department official who now heads the Carnegie endowment for international peace.

Robert E. Stripling, the House un-American activities committee's chief investigator, told reporters the Hiss and Chambers families occupied the apartment together for a

Ask Christians To Oppose Communism

London, Aug. 19 (AP)—Translated into more than 100 languages, a call to Christians to oppose Communism was dispatched Wednesday to all corners of the earth. It was sent by the Lambeth conference.

The conference report was published a few days before the Hisses moved to a house.

Nixon said he thought the committee had accomplished some real results. He added:

"I think it's quite significant that the FBI, in eight years of investigating the case, never has been able to establish that these two men knew each other."

"We asked the FBI for help when we started, but we didn't get much. I think this thing clearly proves the need for congressional investigations."

Another House committee reported today that it has found some "interesting developments" suggesting there might have been some subversive activities in the federal communications commission.

That word came from Frank T. Bow, lawyer for a special committee created to investigate the PCC. He said the developments still are in the investigative stage, with plans for hearings to start in late September or early October.

Bat Eludes Cat And Her Kittens

Philadelphia, Aug. 19 (AP)—Minnie, the city hall cat, wants it plainly understood—there'll be no bats in her ballwalk.

Minnie, who is currently engaged in raising a brood of five kittens, discovered a bat zooming up and down city hall corridors yesterday.

Joined by her offspring, Minnie gave chase. Bat, cat and kits continued their merry race for about 20 minutes until finally the bat spotted an open window and took off for parts unknown.

THREE SPEED WASHING

Fast speed for sturdy, hard to launder cottons. Linen, not as durable as cotton, should be washed at medium speeds. Rayons launder best at slow speed as does wool. This one washer can, with adjustment switch, be made into specialty washer for ALL fabrics.

THREE SPEED WRINGING

For wringing everything from a husky pair of overalls down to the smallest dainty pieces. Adjustable speeds to best wring out all types of fabric. A great advantage found only in Barton.

DOUBLE DUTY AGITATOR

Removable plastic bowl slips over agitator and gently cleanses such dainty pieces as handkerchiefs and lingerie. They're always on top and you don't have to search for them in the tub... another Barton exclusive!

WATER DEFLECTOR TUB

Creates more turbulent water action by shooting 1800 extra jets of water each minute through the clothes instead of just swirling around—cleans clothes thoroughly in less time and with less wear.

LOVELL SAFETY WRINGER

The newly designed Lovell wringer has feather-touch release for complete safety of operator. Removes all surplus water from clothes and places them on the line in such a manner that drying time is cut down.

SEALED IN OIL TRANSMISSION

All gears are machine cut in Barton's own factory. Extra heavy shafts and bearings are permanently sealed-in-oil to give many years of trouble-free performance.

3,000 WORKERS AT ATOM PLANT ARE ON STRIKE

Washington, Aug. 19 (AP) — The Atomic Energy Commission said today a work stoppage at its Los Alamos, N. M., project threatens "serious damage to the nation's atomic weapons program."

The statement was made in a telegram appealing to AFL president William Green to urge idle AFL construction and maintenance workers to return to the job.

Acting Commission Chairman Sumner Pike told Green:

"It is our belief that an appropriate request from you will have the effect of bringing to conclusion this walk out so detrimental to the defense of the American people."

Accordingly we urge that you exercise your influence to return these union members to work."

3,000 Are Idle

The union workers, employed by five project contractors, left their jobs because a sixth contractor hired non-union labor.

Pike advised Green that more than 3,000 AFL workers were idle yesterday in what union members have described as a "vacation." Pike estimated the number of non-union workers at "not more than 115" and said the contractor who employed them had no contract with the AFL. The telegram added:

"To our knowledge no union officials have even attempted to utilize the orderly procedures provided by law to assist these 115 employees in gaining union recognition."

"The workers who walked out have been employed on maintenance and service operations at the atomic weapons center and also on construction of new and expanding facilities for the nation's atomic de-

PROVIDE STEEL FOR FACTORY- BUILT HOUSES

Washington, Aug. 19 (AP) — A major step forward in the building of factory-made houses awaits only approval by the attorney general.

It involves setting aside 59,000 tons of steel for six months under a voluntary allocation plan already approved by the steel industry and Secretary of Commerce Sawyer.

This wouldn't build many houses, viewed in the light of tremendous overall needs. Estimates are it would provide materials for only 8,000 or so dwellings.

But those backing the infant industry, blocked up to now by inability to get steel supplies, say the plan would let it show how it can make "better houses at lower prices."

Tigh E. Woods, housing expeditor, says the all-steel factory-made house is "the first real attempt at cracking the housing shortage."

Can Make 150 A Day

A few have been turned out and put into use, but not enough to make any dent in the demand for homes.

Lustron Corp. of Columbus, Ohio, has the biggest plant, with a capa-

city of more than 150 assembly-line homes a day.

Once the attorney general's office says the agreement doesn't violate any anti-trust laws, the 59,000 tons may be made available to Lustron and the others. Lustron is expected to get the biggest slice, although definite allocations have not been made. Five other concerns will share.

The cost to the man who wants to live in one of these factory-made houses is estimated at about \$8,000, without the lot. Reliance Homes, Inc., of Lester, Pa., says its homes, with three bedrooms, living room, dinette and kitchen, fully equipped with everything but a refrigerator, sell to the builder for \$6,000. This includes cost of delivery to the site and putting it up.

Charge Collector With Embezzlement

Philadelphia, Aug. 19 (AP) — Walter Wilkinson, 38-year-old former collector of delinquent school taxes, has been accused of embezzlement in the widening grand jury probe of Philadelphia's municipal scandals.

Judge Raymond MacNelliger yesterday signed a warrant for his arrest, charging that Wilkinson had embezzled \$1,712 between Sept. 1, 1942, and May, 1943.

Judge MacNelliger also issued a warrant yesterday. This one was for Dominick Antonini, suspended auditor in the city controller's office. Antonini was named in the suicide note left by William C. Foss, former

head of the amusement tax division, who hanged himself.

Antonini is accused of making "false and improper entries."

With the warrant against Antonini, the grand jury has now started criminal action against all of the persons named by Foss in his note.

State Agriculture Department Reports Peach Crop Of 2,123,000 Bushels

SAYS APPLE HARVEST TO BE "SMALL"

Harrisburg, Aug. 19 (AP)—Pennsylvania's 1948 peach crop is above average in contrast to the smallest apple harvest since 1945.

The state Agriculture department said today an Aug. 1 federal-state survey showed a crop of 2,123,000 bushels, approximately 204,000 above last year. It betters the 1937-1946 average by 164,000 bushels.

The crop is relatively free of damage by insects and disease, the department added.

But apple growers are faced with a gloomy picture. The 1948 crop is estimated at 5,198,000 bushels compared with 6,612,000 last year and the 1937-1946 average of 8,031,000 bushels. The smallest apple crop in 27 years was 2,470,000 bushels in 1945.

"The decline in apples this year is attributed to the late, wet and cold spring season and frosts at blossom time," the department stated.

This was compounded by weather conditions during the growing season which brought on scab infection of the main crop.

The sour cherry harvest in the Keystone State exceeded expectations. The crop is now estimated at 7,400 tons, about equal to the 1937-1946 average. The total is nearly 2,000 tons greater than last year.

Pennsylvania's grape crop is indicated at 16,600 tons, slightly better than average but under the 18,100 tons harvested last year.

The pear estimate of 267,000 bushels compares with 290,000 last year and the average of 415,000 bushels.

Kills Niece And Commits Suicide

Dimmock, Pa., Aug. 19 (AP)—A 52-year-old blacksmith, Charles Gesford, shot his niece Wednesday as she slept beside her infant son and then killed himself with a shotgun blast, District Attorney R. G. Dean reported.

The niece, Mrs. Margaret Harvey, 25, mother of two small children, lived with Gesford and his mother, Mrs. George Gesford, in a small house near the Dimmock camp meeting grounds in northeastern Pennsylvania.

Dean said Gesford shot Mrs. Harvey with a shotgun as she lay in bed beside her eight-month-old son, Ronald. Gesford's body was found beside the bed, shot through the chest.

The district attorney said Gesford's mother and Mrs. Harvey's other son, Eben, Jr., 5, were asleep in another room when the shooting occurred.

Tito's Ex-Chief Of Staff Killed

Belgrade, Yugoslavia, Aug. 19 (AP)—Borba, official organ of the Yugoslav Communist party, reported that Arso Jovanovic, former chief of staff of the Yugoslav army, had been shot and killed in a pre-dawn attempt to flee to Romania.

The report said Jovanovic and three others attempted to get across the border six days ago while pretending to be on a wild boar hunt. It said border guards saw the group hustling toward the border at about 2 a. m. Aug. 12 and opened fire when one of the fleeing group started shooting after being ordered to halt. "In self defense," Borba said, "the guards fired back, killing two. The other two tried to escape to the Romanian border. One was caught before crossing."

Aged Man Killed In Six-Foot Fall

Bryn Mawr, Pa., Aug. 19 (AP)—A fall from a six-foot ladder to a concrete driveway proved fatal to Jacob Bean, 73, of Norristown.

Police said Bean, a gardener, was trimming a hedge on the estate of Mr. and Mrs. D. Paul McAlaine, Wynnewood, Monday when he slipped and fell.

He died a short time later in Bryn Mawr hospital of a skull fracture.

MANY SETTLERS ARE MOVING TO PENNSYLVANIA

Harrisburg, Aug. 19 (AP)—Billy Penn's Woods lost their pioneer status years ago, but settlers are still moving in by the thousands.

In fact, new residents have been pouring into Pennsylvania at the rate of 62,000 a year since 1945.

Only three other states in the nation have proved so attractive to migrants from other parts of the country, says the state planning board.

The board said today that latest federal census estimates show the civilian population of the Commonwealth has gained 602,000 between 1940 and 1947, an increase of 6.1 per cent in the seven-year period. New York enjoyed a 5 per cent gain.

Keep Citizens
And if the eminent Mr. Penn could be around to hear it, this would make his heart swell with pride. The board said Pennsylvania's net gain in civilian population since 1940 is the fifth largest in the United States.

"A remarkable record," the board

Tin Can Sticks To Child's Finger

Audubon, N. J., Aug. 19 (AP)—Five-year-old Jo Anne Transue found a talcum powder can on a street yesterday and curious about its contents, poked her finger through a small opening at the top.

There was nothing inside the can except her finger.

The bright-eyed tot, unable to part company with the can, called her aunt, Mrs. Eleanor Transue.

noted, "considering the fact that a very high percentage of our war industries were operated without the importation of outside labor and that very strenuous efforts were made by the federal government to allocate new war industries to states in the west and southwest, such as California and Texas."

The board at the same time attributed the state's "phenomenal growth during the war x x x to its retaining its own people and their children at a time when 28 of our states were losing population x x x."

The board added, however, that the large increase in population generally over the nation is not likely to continue at the present rate. The board explained that the increase was due largely to a very high birth rate.

Still the can clung to Jo Anne's finger.

They called Patrolman Richard Laxton, but still no luck.

The girl was taken to Dr. Louis C. Fiegert who pried the bottom of the can off. But that only confirmed what they already knew—Jo Anne's finger was inside.

The doctor got a pair of wireclip-

pers from a hardware store and carefully sheared the can from the youngster's finger.

Everybody appeared relieved, including Dr. Fiegert who remarked: "They don't teach this sort of thing in medical schools, you know."

STATE NAMES NATIVE SONS "AMBASSADORS"

Harrisburg, Aug. 19 (AP)—Twenty-two former Pennsylvanians were picked today as "ambassadors" of the statewide observance of Pennsylvania Week September 26 to October 2.

The individuals who have gained fame in all walks of life will be given citations by their former hometowns in behalf of the state Chamber of Commerce.

The selections were made yesterday from among 61 nominees submitted by local Chambers of Commerce or other agencies in the Pennsylvania communities where they formerly resided. Persons now residing in Pennsylvania were not eligible for selections.

Committee Chairman Franklin Moore, Harrisburg hotelman, announced the names according to the community which sponsored them: Ardmore—General Henry H. Arnold, Senama, Calif., retired chief of U. S. Army Air Forces.

Easton—General Peyton C. March, Washington, army chief of staff in World War I.

Greencastle—Henry P. Fletcher, Newport, R. I., former ambassador, under-Secretary of State, and chairman of U. S. Tariff Commission.

Greensburg—Brig. General Luther D. Miller, Washington, chief of army chaplains; Agnes S. Turnbull, Maplewood, N. J., novelist and writer.

Jimmy Stewart Named
Indiana—James M. Stewart, Brentwood, Calif., movie actor.

Masontown—Orville E. Beal, Hill Side, N. J., first vice president, Prudential Insurance Co.

Meyersdale—John Charles Thomas, Los Angeles, Calif., concert and opera singer.

Mount Joy—Kauffman T. Keller, Detroit, Mich., president, Chrysler Corp.

New Castle—Dr. Thomas Francis, Ann Arbor, Mich., dean of department of epidemiology, University of Michigan.

Scranton—James A. Lihen, III, Greenwich, Conn., publisher of time magazine; Most Rev. Patrick O'Boyle, Washington; Archbishop of Washington; Steve O'Neill, Detroit, manager, Detroit Tigers baseball club.

Sharon—Thomas E. Millsop, Weirton, W. Va., president of Weirton Steel Co.

Slatington—Mark Reuben Everett, Oklahoma City, Okla., dean of school of medicine, University of Oklahoma.

Sunbury—Dr. Claude A. Buss, Palo Alto, Calif., Stanford university professor now on State Department assignment in Japan as advisor to General MacArthur.

Famous Columnist
West Chester—Mark Sullivan, Washington, author and newspaper columnist.

Wilkes-Barre—Walter S. Carpenter, Jr., Wilmington, Del., chairman of Board, E. I. DuPont de Nemours and Co.; Mildred Coughlin (Mrs. Paterson McNutt), New York city, illustrator and painter; Hammond Edward (Ham) Fisher, New York city, cartoonist and creator of "Joe Palooka"; Admiral Harold R. Stark, Washington, retired chief of U. S. Naval operations.

Uniontown—General George C. Marshall, Washington, army chief of staff in World War II, now Secretary of State.

Hotel Director Says He Paid Tax

Philadelphia, Aug. 19 (AP)—The managing director of the Majestic hotel told the June grand jury Wednesday he paid \$40 to a tax clerk under indictment in the city's tax theft investigation. Police told the jury the item never appeared in the clerk's books.

Jack A. Alexander, the hotel official, said he paid the sum to Samuel Pitkus and received a receipt.

Pitkus and James F. Nuel, Jr., another former clerk, were charged with embezzlements in the warrants issued Tuesday. Maurice A. Simpson, a former amusement tax auditor and now secretary to Councilman Louis Schwartz, also was accused.

5,864 War Dead To Arrive Today

New York, Aug. 19 (AP)—The bodies of 5,864 American war dead, including many who fell in the bitter fighting for St. Lo, are scheduled to arrive at the Brooklyn army base today aboard the U. S. Army transport Lawrence Victory.

The dead are the largest single group to be returned since the arrival of the first war dead vessel in October, 1947, the New York Port of Embarkation said. Most of them were originally interred in military cemeteries at Luney and Marigny, France.

Memorial services will be held at the army base.

FATHER-TO-BE

Bangor, Me., Aug. 19 (AP)—A Bangor wife, about to become a mother, took everything calmly—but the father-to-be.

He fainted, Patrolman Clifton E. Sloan said, while police arranged for an ambulance.

Revived, the man was so distraught Sloan decided to take him to the hospital, too. On the way he fainted twice.

A baby daughter was born to the couple. All were reported doing nicely today.

FLOWERS

Basis for Judging:

The exhibits in Division Nos. 1, 2, 4, 5 and 6 will be judged on the following basis:

- 25% for size uniformity.
- 10% for color uniformity.
- 15% for uniformity in length of stem.
- 10% for stiffness of stem.
- 15% for quality of flower.
- 25% for foliage.

Suggestions to Exhibitors

- All entries should meet the requirements of the class in which they are entered. If any doubt should arise the Committee should be consulted.
- Enter as many classes as possible.
- Specimen flowers should be selected first.
- Flowers for the exhibits should be prepared by soaking in deep pails of cold water several hours previous to opening of the show.
- Buds, faded flowers or injured foliage should be removed in the specimen flower classes before staging.
- Inferior flowers will not win a prize.
- Endeavor to use plenty of foliage of the flowers themselves.
- All flowers in Flower Division 1 and 2 will be judged on quality and perfection of growth.
- Addition of foreign green will not be allowed.

Items Of Interest To Emmitsburg

PLAYGROUND AT EMMITSBURG TO BE CLEANED UP

Emmitsburg's twenty-year-old playground is being rescued from the weeds and neglect that have held sway for the last seven years.

Organized about 20 years ago when a group of citizens, spearheaded by the Women's club, decided that the youngsters of the town should have some place in which to play, the playground up until about 1941 was a thriving center with slides, swings, seesaws and the like. With the war other activities interfered and the playground disappeared into a tangle of weeds and broken equipment.

Members of the Lions club of Emmitsburg have begun a program of rehabilitation for the playground which will include a benefit baseball game this evening at 6:15 o'clock on the Emmitsburg diamond between the Emmitsburg baseball team and the Mount Saint Mary's team. The money to be raised from that event will go toward new equipment for the playcenter which is already in such shape that youngsters have started using the equipment restored.

Hidden By Weeds

Lions members said today they were amazed to find that the iron portions of the see-saws and similar equipment was still in usable condition when they voluntarily went to the playground area, located just south of the baseball diamond, and began to cut down the growth of weeds that hid what equipment remained in the area.

After the area was cleaned out, the Lions built two large frames and installed swings. Boards for the seesaws have already been secured and are to be installed on the old iron frames in the near future. Other lumber is being secured for a large sandbox. Later, this year if possible, a sliding board is to be added by the Lions.

That will probably take care of the situation for the current season, members of the Lions said today, but they have high hopes and plans for next season.

Add More Next Year

If money is available they hope to add additional equipment next year and if possible secure a supervisor to provide supervised play for the youngsters and watch over them while they are at the playground.

A number of years back, under the WPA, the playground had supervised play. It was pointed out, and parents and others were well satisfied with the results of the supervision.

"The playground can be just as big as the people want it," said one member of Lions today. "All kinds of equipment is available and as the years go by we should be able to buy additional equipment, provide supervision and develop an even better playground."

Catholic School Building Diamond

The Parent-Teachers association of the Emmitsburg Catholic high school has begun work on construction of a baseball diamond at the rear of the school.

The field was cleared of weeds, trees and the like Tuesday and work was started on the diamond. The group in charge plans to complete the work next Tuesday night.

While the field is being constructed principally for the use of the high school students it is expected that others will also make use of the facility, a member of the PTA said.

School For Dogs Opens On Friday

Harrisburg, Aug. 19 (AP)—School opens in Pennsylvania tomorrow for hunting dogs.

It will mark the official opening of the 1949 dog training season which extends until next March 31.

The state game commission said thousands of dog owners and handlers will take their dogs afield tomorrow to train them for the approaching hunting season.

Game officials meanwhile warned that no game animals and birds may be injured or killed by the dogs while in training. Game laws also prohibit trainers from carrying any firearms of the type normally fired from the shoulder.

Raccoon hounds may be trained from sunrise to midnight, while other hunting dogs to 9 p. m. (EST).

Emmitsburg To Play In Donkey Game

A team from Emmitsburg has been secured to oppose the Inductive Equipment team in the donkey softball game to be played this evening on Quarry field, near the Inductive plant.

The game will start at 6:15 o'clock. Bleachers have been erected for the large turnout of fans who are expected to attend.

Emmitsburg Will Play Under Lights

The Emmitsburg baseball team will have a game under lights on the Emmitsburg field Sunday evening starting at 8:30 o'clock. At that hour the team will meet the Philadelphia Colored Stars, who are bringing with them portable lighting equipment to permit the night game.

OMAR BRADLEY INSPECTS 28TH

Indiantown Gap, Pa., Aug. 19 (AP)—Pennsylvania's 12,500 National Guardsmen took time out from their rigorous two-week training grind today for an inspection by General Omar Bradley, Army Chief of Staff.

General Bradley, together with other top ranking army officers, was to fly here from Washington, to review the 28th Infantry Division which he once commanded.

After inspecting the troops, Bradley will tour this vast military reservation and watch the units engage in training maneuvers.

Meanwhile, guardsmen of the 111th infantry, of Philadelphia, finished the required 2½ day bivouac and prepared to enjoy a half-day vacation granted all units completing the problem.

The 112th, of Erie, which completed the bivouac yesterday, entered the technical training phase today along with close order drill practice.

At the same time, the 109th, of Scranton, shouldered its overnight packs and set out on the camp grind. The 110th infantry, of Washington, which started the bivouac phase yesterday, continued field problems today.

A driving rain and hail storm last night lashed the pup tents of the Philadelphia and Washington units, but the soldiers took the wetting in stride.

Dragged To Death By Freight Train

Coatesville, Pa., Aug. 19 (AP)—Daniel Shields, Westwood, Pa., was killed yesterday when he was dragged 500 yards beneath a Reading Company freight train. He was single and about 58.

Shields, member of the Brown Brothers Salvage crew working on a slag pile at the Lukens Steel Co. plant, had stepped between two cars without the knowledge of the train crew.

The freight car was jacked up and a blow torch used to remove his badly mangled body.

Telephone 65

Down the Line with Johnny Bell

"Talkingest" nation of them all!

Today, the United States has about three-fifths of the world's telephones, with nearly one telephone for every four persons. Last year, this country's farmers, housewives, business men and other telephone users completed more than 42 billion conversations.

Coal for conversations

Did you know there was coal in your telephone? Actually, there are about 50,000 grains of it—behind the diaphragm of the mouthpiece. This is enough to cover a surface about the size of a dime.

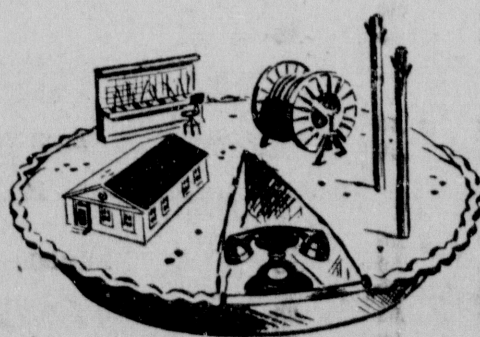

Coal is used in telephones because it can translate the vibrations of your voice into electric waves on wires. These waves can be sent to another telephone, where they are converted back into your "voice."

It's only a fraction

Behind each telephone this Company serves in rural areas, there's a substantial investment in wire and cable, switchboards and other equipment. The cost of the telephone instrument itself is only a small fraction of the investment needed to provide service for each telephone subscriber.

We're working hard to improve and expand telephone service in the areas we serve. But it takes a lot of time and money to build and install the vast amount of equipment needed to do the job. The Chesapeake & Potomac Telephone Company of Baltimore City.

TOWN AWAITING LEGACY WHICH MAKES IT RICH

By ELAINE KAHN

Perryopolis, Pa., Aug. 19 (AP)—This western Pennsylvania mine town whose chief claim to glory was its historical past had a bright future today and an inheritance of uncounted millions.

George Washington once owned more than 1,600 acres of its land and personally suggested the plan of the town—like the spokes of a wheel.

But when the hamlet tried to restore Washington's flour mill several years ago, the citizens couldn't raise enough money. The old mill collapsed, leaving only ruins.

Today Perryopolis — proudly named for Commodore Oliver Perry — has lots of money. Just how much it won't know until the lawyers and executors get through counting the estate of Mrs. Mary Fuller Frazier of Philadelphia.

May Be Ten Millions

The last surviving member of the Perryopolis' Fuller family, Mrs. Frazier, died August 6 in a New York hospital at the age of 83. She left all but \$210,000 of her vast estate to the town for public improvements.

Estimates of the legacy range from five to ten million dollars. Mrs. Frazier, the divorced wife of Johnson Miller Frazier, one-time manager of Philadelphia's Bellevue-Stratford hotel, inherited nearly \$8,000,000 in personal property and real estate from her uncle, Alfred M. Fuller, in 1918.

Additional millions came to her in 1934 on the death of a cousin, Alice Fuller.

Howard Adams, 63, vice president of the Perryopolis First National bank who said he had frequent telephone conversations with Mrs. Frazier regarding her will, declared: "She was a very capable business woman."

Used Oil Lamps

Alice Fuller is remembered by residents as a woman who used oil lamps rather than install electricity.

Ardent Student Gets Prison Term

Baltimore, Aug. 19 (AP)—Glenn H. Fessler, 17-year-old East Earl, Pa., youth who dabbles in art, reads Shakespeare and prefers Chopin to boogie-woogie, was sentenced to 10 years in prison on armed robbery charges.

Fessler told the court Tuesday he twice held up the same Baltimore shoe store last month and stole a total of \$76.

Dr. Manfred S. Guttman, psychiatrist to the Supreme Court of Baltimore, said Fessler is an intelligent youth who was reared in a family of religious belief that takes a strict attitude toward life.

and who refused to have a telephone in her modestly furnished home.

Perryopolis is situated on a main highway, 30 miles from Pittsburgh amidst an agricultural countryside. Most of its 1,300 residents are miners, employed in pits of the H. C. Frick Coke Co., and Republic Steel Corp.

Mrs. Frazier returned to the town for the first time in 30 years a week ago when she was buried in the 50-year-old gray stone family mausoleum atop a hill in Washington cemetery.

Begin Face-Lifting On Maryland Farm

Jefferson, Md., Aug. 19 (AP)—Mrs. Nellie Thrasher's Frederick county neighbors set out Wednesday to save her hill farm from the ravages of erosion in eight hours and make it a model of soil conservation.

Half a million dollars' worth of farm equipment and earth-moving machinery were lined up for the starting signal. Upwards of 25,000 spectators were expected before the job is completed.

The measures slated to be carried out during the day would normally take a farm family four to five years to accomplish.

The job is expected to double the value of the 53-year-old widow's 30-cow dairy operation, estimated as worth up to \$18,000. The cost to her is only \$1,000.

Her farm was selected for the program because she needed help, and because her farm gave the planners a chance to carry out a maximum number of soil conserving projects in one location.

MARK BIRTHDAY OF FIRST MAN TO FLY PLANE

By JAMES J. STREIBIG
Associated Press Aviation Reporter
(For JAMES MARLOW)

Washington, Aug. 19 (AP) — This is national Aviation Day. If you know why, you are well above the average person in aviation.

An air force officer didn't know. A naval aviation officer didn't know. An industry spokesman didn't know. A library of Congress researcher thought it was the anniversary of the birth of Orville Wright, the first man to fly.

He was right. The younger of the two brothers who discovered the secret of heavier-than-air machines was born on August 19, 1871, at Dayton, Ohio. He died there last January.

Proclaimed In 1939
National Aviation Day was proclaimed by President Roosevelt July 25, 1939, under authority of a resolution adopted by Congress two months earlier. Roosevelt said the day should be observed on August 19 in each succeeding year in recognition of the Wright Brothers' and America's preeminent position in aviation.

It was the custom for several years to issue a proclamation annually, but none was issued this year. No formal celebration has been planned. The reason probably is that na-

tional aviation day never did catch on. There long had been more enthusiasm for December 17—known as "Kittyhawk Day"—the anniversary of the first flight at Kill Devil Hill, near Kittyhawk, N. C.

The Aero Club of Washington, oldest group of its kind, celebrates December 17 each year with a dinner attended by several hundred leaders in military and civil flying. Aero clubs in other parts of the country also celebrate the day.

New Air Force Date
The air force used to observe August 1 as its special day. It was August 1, 1907, that the aeronautical division was established in the office of the chief signal officer of the army. What was to become the United States air force 40 years later then had a staff of one officer and two enlisted men.

But this year and henceforth, air force day will be observed on September 18, anniversary of the day it achieved independent status within the national defense establishment last year.

The event will be celebrated with a large dinner in Washington under the sponsorship of the air force association and the aero club. The dinner will be held September 17 so that many of the generals and industry leaders may appear as speakers at dinners elsewhere on the actual anniversary.

Word has been received by local relatives of the marriage on Saturday at York of Miss Susan R. Resser, daughter of Edwin C. Resser, York, formerly of here, and Mrs. Resser, to Philip Innerst, York R. D.

Mr. and Mrs. Jacob Hollinger had as recent guests Mrs. Fannie Bushey Daniel, Harrisburg, formerly of here, and her cousin, Miss Lora Hammond, also of Harrisburg.

Sunday afternoon marked the meeting of the Eastern Zone Young People's Division of the Church of the Brethren at the Bermudian Brethren church near here. Seven churches were represented.

The Rev. Norman Wolf, Fairfield Lutheran pastor, is expected to be guest minister next Sunday at Trinity Lutheran church.

The annual picnic of Red Run Sunday school near town was conducted and well attended Saturday

afternoon and evening at Hoffman's Grove near the church. There were games, music by the Zion View band, and refreshments including chicken corn soup and iced watermelon.

The local high school band has been engaged to play Saturday evening at the eighth annual carnival and picnic of the Wellsville fire company, at the community hall grounds at that place.

Mr. and Mrs. John L. Burgard had as recent guests their son-in-law and daughter, Mr. and Mrs. Maurice Wehler, and grandson, Bruce Slaybaugh, Jr., York.

George Chronister, R. 2, has returned from a trip to northern New York state.

Improvement is reported in the condition of Mrs. Harvey Ruppert, R. 2, who is recovering at her home from serious injuries sustained several weeks ago when she was run down by a truck her husband was backing at their place. Mrs. Rup-

per spent some time at the Warner hospital.

Mr. and Mrs. Clyde Sowards, north of town, have been entertaining a group of relatives from South Carolina.

Melvin Winand, Sr., is disabled by a severely lacerated right hand sustained last week when it was caught in machinery at the factory where he is employed. A large number of stitches were placed in the wound at the Hanover hospital.

Shirley Burgard has returned to the home of her parents, Mr. and Mrs. Laverie Burgard, after a trip to New York. The Burgards expect to leave shortly on a motor trip to points south.

Word has been received here of the recent birth of a son to Mr. and Mrs. Earl Fringer, York county. Mr. Fringer formerly worked as a salesman for the local Home Service and Engineering corporation.

Mrs. Reuben Slothour was among

a party that recently visited the Rev. Snyder Alleman and family at the Frankford Lutheran charge. The Rev. Mr. Alleman is the former pastor of Trinity Lutheran church.

Having been joined by his wife and sons, Thomas and Richard, who came from Erie, Herbert Heberlein, who had been staying at the Paul P. Lerew home, has moved with his family to the Frank Krall property north of town. Mr. Heberlein will teach in the fall at the agriculture department of the local high school.

Darlene Grove, daughter of Mr. and Mrs. Purley H. Grove, Hanover, formerly of here, was a visitor to local friends during the past week.

Daniel Hull, York, who worked here last winter, is recovering from cuts about his head sustained in an unexplained manner last week in his home city where police, discovering him injured on the pavement, conveyed him to a hospital where he was treated and discharged.

To make a shrimp sauce to serve over boiled or broiled fish add one-half cup finely chopped shrimp to a cup of white sauce and season with salt, pepper, finely chopped parsley, finely grated onion and lemon juice.

The Tsetse fly, carrier of sleeping sickness, needs shade to breed. It is sometimes controlled by clearing the brush over a wide area. The first chairs were symbols of authority and hence usually were, in effect, thrones.
